

COMPANY OVERVIEW

CWC Security, LLC designs, installs, monitors and maintains integrated security, life-safety and communications systems for government, commercial and residential facilities across Nassau County, Suffolk County and the New York City metro area. Our leadership brings more than 25 years of combined security and IT experience, so physical security, networking and IT are delivered by one accountable team — from site survey and design through installation, 24/7 UL-listed monitoring and ongoing service.

CORE COMPETENCIES

Video Surveillance (CCTV)

HD/4K IP cameras, NVR/VMS, remote viewing, analytics

Intrusion Detection

Burglar alarm design, installation and code-compliant upgrades

24/7 Central Station Monitoring

UL-listed monitoring for intrusion, fire, CO, water and gas

Network & Low-Voltage

Structured cabling, data drops, Wi-Fi, network room build-outs

Integration & Automation

Audio/video, lighting control and building automation

Access Control

Card, mobile and keypad entry; multi-door and multi-site systems

Fire & Life Safety

Fire alarm systems, CO detection, annual fire inspections

Environmental Monitoring

Water/leak, temperature and gas detection

Managed IT & VoIP

Hardware management, remote monitoring, VoIP phone systems

Service & Maintenance

Preventive maintenance, labor or parts-and-labor service contracts

PAST PERFORMANCE

Law Firm — Syosset, NY (10,000 sq ft)

Turnkey security and infrastructure: CCTV, access control on 16 doors, burglar alarm, VoIP phones, data drops to every office and a full network room build-out, coordinated with the client's IT vendor.

Real Estate Offices — Bellmore & Greenvale, NY (2 sites)

Multi-site deployment of access control, alarm systems, structured data cabling, Wi-Fi and VoIP phones.

Managed Services Clients — Long Island, NY

Ongoing remote monitoring, hardware management and maintenance for active commercial IT clients.

References available upon request.

DIFFERENTIATORS

Single point of accountability — security, networking and IT from one contractor, no hand-offs between vendors.

Local and responsive — Long Island-based technicians with rapid on-site response, including same-day emergency service.

Manufacturer-trained and certified — authorized partner programs with leading video, access control and automation brands.

Proven reputation — BBB A+ accredited; 4.9-star rating across 68 Google reviews.
